Date: 28.05.2023 - 04.06.2023

Venue: Snina, Slovakia

No. of participants: 32

Involved countries: Slovakia, Poland, Hungary, Romania, Bulgaria, Slovenia, Serbia, Lithuania, Greece

Project description:

Project's main goal is to combat gender inequality in our society, starting within our own little communities. "*Gender Equality in Your community*" focuses on building inclusive and peaceful society by helping youngsters understand women's rights, explore the phenomenon of gender discrimination, gain the ability to recognize stereotypes and prejudices against women, challenge such phenomena within their own communities and become empowered to implement human rights education projects in the local community in the near future.

Participants will find out and analyze what causes gender inequality and how to prevent it, embrace the values necessary for the creation of a respectful community with zero discrimination.

participants

Participant profile:

Participants should be high school or university students aged 17+ years old and interested in learning about gender equality and further developing their skills in working within their local community.
